Web Announcement 1669

Attention All Providers:

Revisions to Billing Time Frame (Stale Date)

On September 5, 2018, at 10:00 a.m., the Division of Health Care Financing and Policy (DHCFP) will hold a Public Workshop on a proposed stale date time frame policy, reducing the time frame from 180 days to 90 days. To be considered timely, claims must be received by the fiscal agent within 90 days from the date of service or the date of eligibility decision, whichever is later.

Additionally, the DHCFP is proposing to change the effective date of newly enrolling providers (retroactive enrollment) only allowing up to 90 days to align with the 90-day stale date time frame.

The intent of this public workshop is to explain the proposed changes and to allow for public comments. The Public Workshop will be located at:

- Division of Public and Behavioral Health
4150 Technology Way, Room 303
Carson City, Nevada 89706
- Desert Regional Center

Note: Out-of-state and Third-Party Liability (TPL) are not affected by this change.

On September 27, 2018, at 1:10 p.m. or upon completion of the amendments to the State Plan for Medicaid Services Public Hearing, this proposed policy will be heard at the Medicaid Services Manual Public Hearing, allowing time for public comments. The Public Hearing is located at:
